JESS WILLARD TO GET \$1,583 PER MINUTE FOR BOUT

Champion's End Is \$47,500 and Moran's \$20,000 of Biggest Purse Ever Offered for a 10-round Bout.

BY MORNING JOURNAL SPECIAL LEADER WIRE  
Chicago, Feb. 3.—Jess Willard, heavyweight champion, will be paid at the rate of \$1,583.25 per minute for his ten-round fight with Frank Moran in New York, March 17. Willard signed an agreement today to meet Moran. The promoters who secured the bout, Tex Rickard and Sam McCracken of New York, agreeing to pay the champion \$47,500, win lose or draw. In addition to fifty-one per cent of the moving picture rights, he gets money derived from advertising privileges. Moran's activities in the ring will be compensated at the rate of \$666.67 a minute as he will receive \$20,000 from the promoters. These sums constitute the largest purse ever offered for a ten-round contest. The champion drove a hard bargain.

Tom Jones, manager for Willard, was given a check for \$2,500 by Dave Levinson, representing Rickard and McCracken. According to the agreement, \$20,000 is to be deposited by the promoters with Robert Vernon of New York, the official stakeholder. February 9, and the remaining \$25,000, is to be paid Willard twenty-four hours before the fight. It also was stipulated that the referee must be satisfactory to the title holder.

The question of a referee is expected to come up at a conference with the promoters next Wednesday in New York at which other details of the match will be settled.

Willard expressed himself as delighted that the match had been arranged. He has been doing light work at the Chicago Athletic Association here for some days. Jones at once wired Walter Monahan at Los Angeles to come here and take charge of the champion's training program.

It was reported here that the price of seats in the contest would range from \$5 to \$25.

DR. E. O. STUCKEY INTERCEPTS SLOW DEATH BY SUICIDE

BY MORNING JOURNAL SPECIAL LEADER WIRE  
When Dr. E. O. Stuckey, a physician who lived at 512 East Silver avenue, failed to get up early yesterday morning members of the household thought he was sleeping. It was not until 8 o'clock, when an attempt was made to arouse him, that they found he was dead. Letters written by him and an empty vial, which had contained poison, indicated that he had committed suicide.

Dr. Stuckey came here as a health seeker. He probably was depressed over his condition. He was in a far advanced stage of tuberculosis. He remarked to friends recently that he probably would not live long. He underwent an examination by a tuberculosis specialist a short time ago and this may have discouraged him.

WOMAN FOUND DEAD IN VACANT ROOM WITH LIQUOR BOTTLE NEAR

BY MORNING JOURNAL SPECIAL LEADER WIRE  
Mrs. Isabel Morris, 35 years old, is dead. Her body was found yesterday morning in the vacant room of a house at 216 North Third street.

Mrs. Morris was sitting on the floor when death struck and her body remained in the sitting posture. On the floor near her were a bottle containing a little liquor, and a package of cigarette tobacco. Dr. L. G. Rice said death was due to acute alcoholism added to chronic alcoholism. He said that exposure in the unheated room probably was an ally to these causes.

The woman was known to the police as a beggar and had been sent to jail frequently. Her commitment was more a matter of charity than punishment, officers said. She was once a beautiful girl and a member of a well-to-do family. Her husband, Ed Morris, died a short time ago at Gallup.

The body was taken to Fred Crockett's undertaking rooms. A coroner's jury, empanelled by Justice W. W. McClellan, viewed it there. An inquest will be held before Justice McClellan this morning.
